INSANITY EVIDENCE

**Brothers of Jones
Called With
Others.**

**The Prisoner Displays
Effects of Awful
Situation.**

**Prosperous Condition of Corniot
Estate—Hamakua Mill Co.
Asks for Judgment.**

Many witnesses were called yester-
day in the trial of E. M. Jones for
murder, all for the purpose of sup-
porting the defensive plea of insanity.
Among others were the brothers of
the prisoner. Another was Capt. John
F. Janes. A number were fellow-
workmen of Jones in different employ-
ments. A pathetic letter by Jones to his
wife, begging her to desist from divorce
proceedings, was introduced. This was
published in the Advertiser when it
came out in the District Court as evi-
dence in the assault and battery prose-
cution of Jones some months prior to
the killing of Mrs. Parmenter and Mrs.
Jones.

There was unanimity of belief that
Jones's mind was affected by his do-
mestic troubles, taking the evidence
of the witnesses as a whole.
The prisoner is seemingly growing
more careworn day by day, while in-
cessant twisting of the fingers of both
hands together betrays a nervous
condition. At times yesterday he dis-
played emotion to tears, while again
he seemed to repress an amused feel-
ing with an effort.

It is not unlikely that the trial will
occupy another week.

WOULD REVERSE JURY.
Alfred S. Hartwell and Cecil Brown,
attorneys for defendant in the action
of ejectment of Henry Smith vs. Ha-
makua Mill Co., have filed a motion for
judgment notwithstanding the verdict
on these grounds, viz.:

"1. That on the plaintiff's own show-
ing, and if there were no evidence for
the defendant, the plaintiff would be
entitled to no more than one undivided
eighth of the ahupuaa of Kohalaalea,
and not an undivided fourth thereof
as claimed by him and found by ver-
dict of the jury.

"2. That upon the undisputed and
uncontradicted facts shown by all the
evidence in said cause, the defendant's
defense of the statute of limitations
was and is fully sustained, both in fact
and in law."

MOTHER AND CHILD

Scott's Emulsion is cod
liver oil made almost
as palatable as milk. It is easy
and soothing to the weak
stomach; it checks the ten-
dencies of children toward
thinness.

Scott's Emulsion gives
strength to weak mothers be-
cause it creates healthy flesh
and new blood.

Nursing mothers will find
a special value in Scott's
Emulsion because it insures
a flow of rich, nourishing
milk for the baby. More and
better than a medicine;
Scott's Emulsion is a food.

Scott's Emulsion is not a
mere extract, containing im-
aginary "active principles"
which do not exist, but is full
of actual nourishment which
sustains vital force and builds
up the body tissues more
rapidly than any other known
remedy.

We'll send you a sample free upon request.

THE NEW FRENCH REMEDY.
THERAPION. This powerful
remedy, used in the Continental Hospitals by Ricord,
Roustan, Joubert, Velpeau, and others, combined all
the desiderata to be sought in a medicine of this
kind, and surpasses everything hitherto employed.
THERAPION No. 1 maintains the weak-
ness and well-merited reputation for damage-
ment of the kidneys, pains in the back, and
kindred ailments, affording prompt relief where
other well-tried remedies have been powerless.
THERAPION No. 2 for impurity of the blood,
acidity, pimples, spots, blotches, and swelling
of joints, gout, rheumatism, and all diseases for which
it has been too much a fashion to employ mercury,
sarsaparilla, &c., to the destruction of sufferers' health
and ruin of life. This preparation purifies the
whole system through the blood, and thoroughly
eliminates all poisonous matter from the body.
THERAPION No. 3 for exhaustion, sleep-
lessness, and all distressing consequences of
disipation, worry, overwork, &c. It possesses
surprising power in restoring strength and vigor to
those suffering from the enervating influences of
long residence in hot, unhealthy climates.
THERAPION is sold by the principal
Chemists and Druggists throughout the world.
Price in England, 2s. 6d. and 4s. 6d. In order-
lag state which of the three numbers is re-
quired, and observe that the word "THERAPION"
appears on the British Government Stamp (the
white letters on a red ground) affixed to every
package by order of His Majesty's Home
Commissioners, and without which it is a forgery.

of A. A. Corniot, deceased, has rendered

receipts of \$17,524.94 and expenditures
of \$16,702.74, leaving a balance of \$822.
20. Hawaiian Government bonds to
the amount of \$12,500 having been re-
deemed, the proceeds were invested in a
mortgage. The inventory shows fee
simple in store property at King and
River streets, and personalty in securi-
ties and cash amounting to \$15,522.20.
Judge Robinson appointed Haalilio
Kapoleli temporary administrator of
the estate of Kaili Pokini, being a fire
claim valued at \$77.15, under bond of
\$50 with all costs but actual remitted.

Commissions Received.

Governor Carter has received his per-
manent commission, following the
Senate's ratification of his appoint-
ment, from the President. It involves
only the ceremony of his taking the
oath anew, which will be done pri-
vately.

A. M. Brown has received his new
commission from the Governor. It has
to be countersigned by the Secretary
of the Territory, when Mr. Atkinson
has been confirmed by the Senate and
installed.

WHAT IS A COUGH?

A spasmodic effort to expel the mucus
from the bronchial tubes. A cold causes
a more abundant secretion of mucus,
and when the lungs and bronchial tubes
are inflamed, they are extremely sensi-
tive to the irritation. Unless care is
taken, the cold may result in pneu-
monia, which is swift and deadly. If
the cold is a lingering one, the more
leisurely but equally fatal consumption
may set in. Do not neglect a cold or
cough. Take Chamberlain's Cough
Remedy. It always cures and cures
quickly. Benson, Smith & Co., Ltd.,
Wholesale Agents sell it.

WRIT OF HABEAS CORPUS PENDING

A habeas corpus case was protruded
into the midst of the Jones murder
trial late yesterday afternoon. Funa-
koshi Tatsugoro was the subject, his
petition alleging that he was "unlaw-
fully and unjustly imprisoned and re-
strained of his liberty."

Funakoshi Tatsugoro was indicted in
the Fourth Circuit Court, Hilo, of con-
spiracy in the first degree and com-
mitted for trial to the February term of
that court. At the same time he is
under conviction of manslaughter, bound
over on appeal in a bond of
\$10,000. It is for the conspiracy com-
mittal that the writ of habeas corpus
was granted by Judge Gear.

Geo. A. Davis appeared for the peti-
tioner and wanted an immediate hear-
ing.

Attorney General Andrews and De-
puty Attorney General Peters opposed
a hearing on the merits. They showed
that J. W. Cathcart was the peti-
tioner's counsel and that it was at the
earnest solicitation of Mr. Cathcart
that the case went over from time to
time. All they asked for was a con-
tinuance until they had time to make a
return to the writ.

Mr. Peters said there were matters
in the petition which would prevent the
court from taking jurisdiction if they
were presented.

This brought on a wrangle over tech-
nical features of the petition.

Mr. Davis, who urged that the writ
had been given to the High Sheriff at
1 o'clock or three hours previously,
finally contended for a release of the
prisoner until the hearing on his own
recognizance, arguing the \$10,000 bond
under which he was held for man-
slaughter as a reason.

Judge Gear, on the joint parole en-
gagement of Mr. Davis and John S.
Walker whom the former had called in,
that the man would appear, allowed
Tatsugoro to go on his own recogniz-
ance, while granting the Attorney Gen-
eral's motion for a continuance until
Monday morning at 9 o'clock. It was
stipulated that the hearing then should
be exclusively on the question of con-
tinuance of the case on its merits.

ONE FOUND GUILTY AND ONE CLEARED

A loud alarm was sounded on the in-
side of the public door to the Federal
courtroom about 2 o'clock yesterday.
Instead of the jury retiring to consider
their verdict, the court had retired with
everybody but the jury. Marshal Hen-
dry answered the signal and, under-
standing a verdict was ready, called
in Judge Dole, District Attorney Breck-
ons and others interested. It was on-
ly advice from the court the jury want-
ed then, however, and once more they
were left alone.

Shortly afterward they returned a
verdict finding Kinoshiki Kunihara
guilty as charged of importing a woman
for immoral purposes. They added
this rider:

"It is the sense of this jury that the
defendant Hanhichi Tereyama is equal-
ly morally guilty with the other de-
fendant, and this jury recommends that
means be taken to secure such evidence
against him as will result in his prose-
cution and punishment."

Judge Dole directed a verdict of
acquittal in favor of Tereyama on the
ground that the evidence did not suf-
ficiently connect him with the money
sent from here to bring the woman
from Japan.

Midway and Guam.

The cable between Guam and Mid-
way is being used constantly by
Messrs. Morse and Smith of the Geo-
detic Survey, who are engaged in de-
termining the exact longitude of the
two islands. Mr. Morse is on Mid-
way and Mr. Smith on Guam. Both
have recently been working steadily
on the two islands, and as soon as
transportation is available at Guam,
Mr. Smith will come to Honolulu and
the same work will be carried on be-
tween Honolulu and Midway.

HEARKEN YE!

To the Voice of Honolulu People.

If you will but listen to your friends
and neighbors they will tell you how
the pains and aches of a bad back, the
annoyances of urinary troubles, the
nervousness, the restlessness which
come from kidney ills can be relieved
and cured. Read what one Honolulu
citizen says:

Writing under date of January 10th,
1899 Jurgen Walter of this city tells
us as follows: "My age is 79—and I
am the parent of eight children. Be-
ing so far advanced in years, I regard
the relief obtained from Doan's Back-
ache Kidney Pills.

I suffered from a lame back for years,
but after taking some of the pills (pro-
cured at Hollister's drug store) was
greatly benefited, and I am satisfied the
pills did me much good."

Our kidneys filter our blood. They
work night and day. When healthy
they remove about 500 grains of im-
pure matter daily, when unhealthy
some part of this impure matter is left
in the blood. This brings on many
diseases and symptoms—pains in the
back, headache, nervousness, hot, dry
skin, rheumatism, gout, gravel, dis-
order, eyesight and hearing, dizzi-
ness, irregular heart, debility, drowsi-
ness, dropsy, deposits in the urine, etc.
But if you keep the filters right you
will have no trouble with your kid-
neys.

Doan's Backache Kidney Pills are
sold by all chemists and storekeepers
at 50 cents per box, or will be mailed
on receipt of price by the Hollister
Drug Co., wholesale agents for the Ha-
waiian Islands.

COWBOY AND LADY BY NEILLS TONIGHT

The cowboy has always been held
up to the readers of romance as a
synonym of chivalry, hot in his loves,
generous in his friendships and heroic
in his deeds. In his cowboy role this
evening James Neill embraces all these
manly attributes, though his love for
the lady while devoted, is mostly of the
dumb devotion order.

Her refinements, her witticisms, leave
him with his heart choking all speech
albeit it thumps passionately. Finally
an adventure, a danger, a rescue,
smoothes matters for him until the
stirring exigencies of western life bring
other obstacles to roughen the path-
way of true love, for the lady loves the
cowboy from the start to the finish of
Clyde Fitch's stirring, breezy comedy,
"The Cowboy and the Lady," to be
presented this evening by the Neill
company at the Opera House.

Miss Chapman is the lady and Neill
the vanquishing vaquero, while the
cast is replete with characterizations
of western life, cowpunchers, dance
hall habitués, half-breeds and frontier
types in which the company should
show to great advantage with so many
excellent character actors.

The play has been styled a combina-
tion of Clyde Fitch and Bret Harte
and is written in fresh vein as befits
the departure of a dramatist into a
new field.

PLEASING RESULTS

always follow the use of New-
bro's Herpicide, the new sci-
entific cure for dandruff and fall-
ing hair. It possesses certain
properties that kill the germ
or microbe that causes all
the trouble by sapping the oil
out of the hair bulb. With this
parasite destroyed, dandruff
and the falling hair cannot exist.
A thick, soft growth of hair
springs forth where formerly
thin, brittle hair, or perhaps
total baldness held sway.

One bottle will convince
you of its merits.
